- **Prepare:** you can install Halo: The Master Chief Collection on your Xbox and check for updates to be sure you’re ready for the event. *Note this is a big file and that there’s an update specific to Reach if you’re installing for the first time, so start it early!*

What to do the day of the Play Date (December 15th 2019)

- **Tell us when you’re ready:** drop into #xa_community_playdates in the Xbox Ambassadors Discord server to let us know you and your group are here and ready to play!
- **Squad up:** As a general rule, family/friends/guests will stay with the Ambassador who invited them. Staff will mix and match everyone who tells us they’re ready – the goal is to get new teams of Ambassadors together who haven’t played with each other before so we all meet some new friends.
- **Play Nice:** Playdates let Ambassadors game with new people and to make new friends. Let’s all have a good time, build each other up, and add some friends on Xbox when we hit it off!
- **Show off:** Don’t forget to capture awesome clips and snapshots to share with the hashtag #XAPlaydates!
